

- **Identification of the best venues, activities, and service providers** based on your needs, as well as introductions to our Parisian partners;
- **Support in finding accommodation** for participants and assistance with room block management;
- **Organisation and support for site inspections**, particularly regarding logistical aspects (accommodation, transfers, coordination with partners, etc.);
- **Introductions to local public authorities and institutions** to facilitate the organisation of the event, including permits, public transport, institutional support, official welcomes, delegations, etc.;
- **Connections with the local ecosystem**, including introductions to local stakeholders and identification of potential partnership opportunities;
- **Support on the impact and local legacy aspects** of your congress;
- **Dedicated tools and services for participants**, including our *MyParis je t'aime* app, which brings together practical information, public transport, activities, restaurants, events, and services located near congress venues;
- **Ticketing and group activities**, with the possibility of pre-booking tourist activities, transport passes, museums, shows, cruises, etc. A 5% discount is currently available; however, it is still too early to confirm whether these conditions will remain in place in 2031;
- **Promotion of the congress**, notably through our online "*Congresses & Trade Shows in Paris*" calendar on our Convention website;
- **Access to our professional media library**, featuring HD images of Paris that can be used in your communication materials;
- **Accessibility support**, with information and recommendations regarding accessible transport, accommodation, restaurants, event venues, and activities;
- **Digital city advertising**, allowing events to be promoted across Paris through 130 digital displays. Please note, however, that this service is reserved for events organised in Paris by **Paris-based associations**;
- **Transport benefits for participants**, including:
 - **Air France / KLM**, with a simple and convenient booking platform offering up to **15% off international flights worldwide**, as well as flexible booking and after-sales conditions. Travel is permitted from 7 days before to 7 days after the event.
 - **Eurostar**, offering discounts of up to **15% in Eurostar Plus** and up to **10% in Eurostar Standard**.
